Welcome to your new IdeaScale community! Your community has now been created. You can edit your idea by logging in as a moderator, then clicking the 'moderate idea' menu.

How it works

1 **Innovate together**
Got an idea? Create an impactful proposal and collaborate with the community to develop and refine it.

2 **Vote for your favourite ideas**
Use a voting app to choose ideas with impact worth funding. Get rewarded in ada for taking part.

3 **Stay up to date**
Receive regular updates on all the funded ideas, so you can follow along and see how things are progressing.
